❯ <u>Add a New Course to Your Dashboard</u> (for students who *already* have an EverFi account)

If you already have an EverFi account, you do not need to create a new one – you can use your existing account to start another course. Follow these directions instead:

- Go to www.everfi.com/login and sign in using your same username and password that you used for the last course.
- In the upper right hand corner where it says "Add a Course" enter your class registration code provided by your teacher: _____
